

Family Emergency and Support Plan

A backup-care plan for kinship families, including contacts, health information and practical arrangements.

Primary caregiver

Child / children

Home address

Emergency contacts

Name	Relationship	Phone	What they can help with

People allowed to pick up or supervise the child

Important health information

If I am suddenly unavailable

- ☐ Backup caregiver knows where key documents are.
- ☐ School or child care has an appropriate emergency contact.
- ☐ Medication instructions are written down.
- ☐ Pets, home access and transportation arrangements are known.
- ☐ Grandparent and Alternative Care Provider (GACP) Program or child-protection requirements have been checked.

Where key documents are stored
